

2026

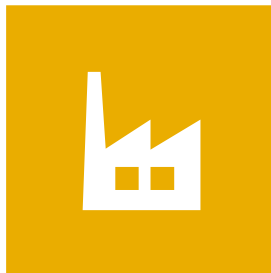

The logo for MRWM SA DE CV is a stylized, blocky letter 'M' in white, set against a dark blue rectangular background. The 'M' is composed of thick, geometric strokes. The text 'MRWM SA DE CV' is written in a white, serif, all-caps font across the center of the blue rectangle.

MRWM SA DE CV

MANUFACTURING RESISTANCE WELDING DE MEXICO S.A. DE C.V.

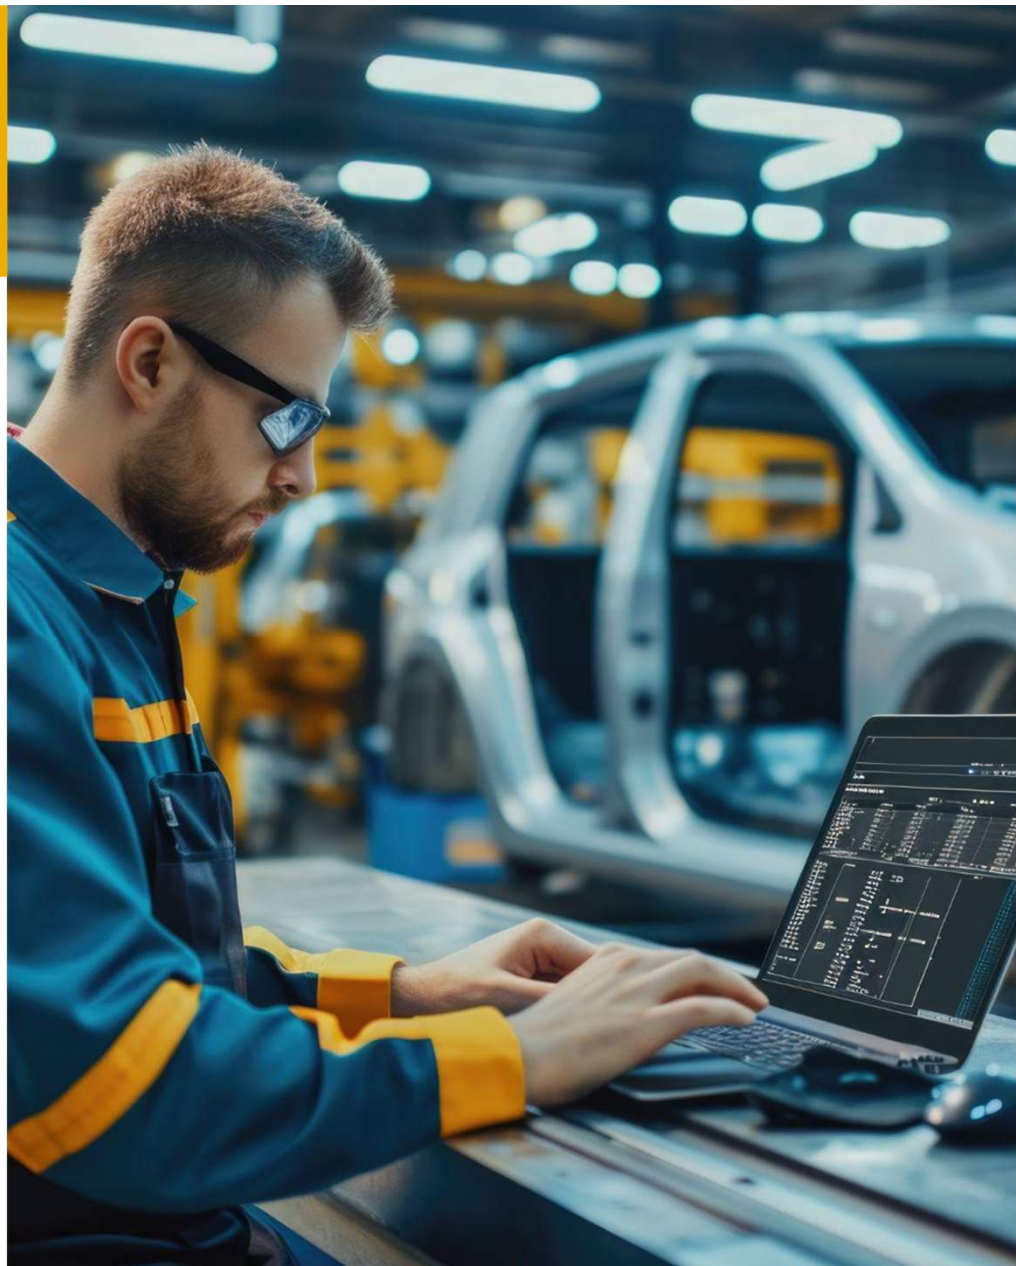

Mission

Develop engineering solutions for the industry, from the design and integration of equipment to its implementation, guaranteeing successful launches, in compliance with global norms and standards. We are committed to exceeding the expectations of our clients, empowering them with innovative technology and preparing the next generation for the new digital environment, ensuring long-term productivity and sustainability.

Vision

To be the leading company in comprehensive services for the industry, recognized for its competitiveness, reliability and the highest quality standards, contributing to the success and growth of our clients.

Welding Processes Management, Robotic, Consulting And Services

Turn Key Projects

- Equip. Relocation
- Equip. Installation
- Equip. Set up.
- Equip. Racomendations.

Consulting

- Assesments
- Problem Solving
- Risk Analisis
- On The Job Couching
- Training & Mentoring

Maintenance

- PM Weekly Contract
- Tech Support
- Troubleshooting
- Equipment Repair
- Machining
- Material & Equip. Supply

Robotic Support

- Equip. Relocation
- Equip. Installation
- Equip. Set up.
- Equip. Racomendations.

Welding

Specialized area in automotive welding processes focused on quality, standardization, and continuous improvement under international standards.

Certifications

- IWS
- EWS
- IWI
- EWI

Scope

- CQI-15
- ISO/TS-16949
- WPS'S
- PQR'S
- SCHEDULING
- SETTING

Proceso MIG Battery Tray

Welding

Processes

- RSW Resistance Spot welding
- PW Projection Welding
- RSW Resistance Seam Welding
- GMAW Gas Metal Arc Welding (MIG-MAG)
- SW Arc Stud Welding

Welding Procedure
Specification

WPS

Ensures welds meet
code requirements

Procedure
Qualification Record

PQR

Proves that the
WPS "works"

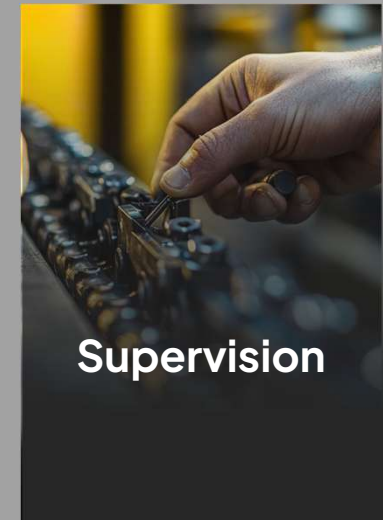

Welder's Performance
Qualifications

WPQ

Proves that welder
can weld to the WPS

Our Services

Comprehensive engineering and technical services designed to enhance productivity, ensure reliability, and maintain world-class manufacturing standards across every process.

Quality is the result of precise processes and continuous improvement.

Services

Tech Specialist Support

- Remote technical support for urgent problem resolution
- Technical support to solve - Improve
 - Dimensional Issues (CP & CPK Improvement)
 - Welding Issues (Safety, Operational & Quality)
 - Electric-Control Issues
 - Repetitive of both Quality & Efficiency Issues
 - Low, Medium, High Voltage Issues
 - Critical or Catastrophic Problems
- Urgent Technical Support for Recovering Down Equipment
- Technical support for ISO TS 16949, CQI15 Adherence

Services

- **Reparation**
 - **CHECKING FIXTURES**
 - **Electric**
 - **Pneumatic**
 - **Mechanic**
 - **Handling Material Sytems**
 - **Racks & Containers**
 - **Copper electrodes**
- **Manufacturing**
 - **CHECKING FIXTURES**
 - **Copper Electrodes**
 - **Locator Pins**
 - **Copper & Steel Spare Parts**
 - **All Types Of Machining**

Welding Engineering Solutions for the
world's leading **OEMs**

Volkswagen

NAVISTAR

Meet the Experts

Our international expertise and the trust of leading industry partners stand as proof of our excellence.
